

TESTIMONIALS

"My son loved Sky High Basketball Camp last summer. It was the first time he went, and he had a great time! The coaching was excellent; there was a constructive amount of competition, and fun highlights with special guests. I'd recommend it to any level basketball player. Thanks again; we'll see you next summer!"

"My boys have done other basketball camps but Sky High is their favorite! They were so excited to meet the surprise players and they love learning from the counselors. I think it is very well run, the boys learned a lot, their games improved and most importantly they had fun!!!"

"Every winter we begin to plan our summer camp schedule for our two boys. When we ask them what camps they would like to do in the summer, both boys list Sky High Basketball on the top of their list. Sky High does a great job balancing fun and hard work. They also have some terrific guest speakers!"

"This camp is one of my son's favorite summer camps. He has been there the past 2 summers. A big highlight for him is meeting the college players. He also likes the shooting contests and the counselors. He'll definitely be back again this summer."

"We had a fantastic experience during our first year at Sky High. Our 7-year old was so excited to get there every day, I could barely stop the car to let her out. We will definitely be back. Also, I would add that it was extremely well run with a very responsive staff."

"I've been going to Sky High Basketball Camp for 4 years and it's my favorite summer camp. The coaches are great and the camp really improved my basketball skills. And, I got some good autographs!"

CAMP INTRODUCTION

Sky High Basketball Camp will be entering its 11th year in 2011. With camps designed for both boys and girls, the success of our camp is predicated on our staff. We truly believe a camp can only be as good as the people working it. Therefore, we take pride in the excellence of our counselors and the quality of the instruction we give. Our staff members are not simply great players, they are great teachers of the game with strong character and a sincere interest in helping young players learn the greatest game ever invented!

The Sky High Basketball Camp is an instructional camp designed to reinforce the fundamentals of the game with an emphasis on improving individual skills. Particular emphasis will be placed on individual defense, individual offense, shooting technique, and team strategy. Campers thrive in our friendly environment. Through specific feedback and individual attention, campers benefit from our talented and enthusiastic staff.

Above all else, parents can be confident that their child is having a great time in a safe, caring and controlled environment. Our camper to staff ratio averages 8:1, and we are certain to be attentive to each camper's needs.
